In our efforts to meet the diversified needs of our students at St. Timothy, we acknowledge and rejoice in cultural diversity. Commonality is found by focusing on our Catholic beliefs, common roots, and common values. As each child is unique and brings a variety of different experiences to the classroom, activities presented to the students also reflect the

differences and needs of all in order to unify and promote common growth. The notion of our Christian families is another unifying force. The real life application of how we live these Christian values in our families is used to enhance the growth in our community.

Hawthorn School for Girls

[Elementary, High, Pre-Kindergarten, Kindergarten and Middle](#)

101 Scarsdale Road, North York, ON M3B

Hawthorn is the only independent, Catholic-inspired, all-girl school in Toronto. We are also the only girls' school that provides a "small-school experience", where each girl is known, participates and flourishes in every aspect of school life. In 1989, a group of parents and educators founded a school specifically for the purpose of educating the whole person. The founders dreamed of a school that would recognize parents as the first and most important educators in their children's lives. They envisioned a school that would give equal priority to the pursuit of academic excellence and the development of character. Today, Hawthorn is part of an international network of similar schools that provide an integral education.
